A REVIEW

WEEK 1

The church is not the building.
The church is the people.

WEEKS 2 AND 3

The people are parts of a body.
And every part has a purpose.

FOR TODAY

Acts 2:46-47

"They ate together in each other's homes, happy to share their food with joyful hearts. They were liked by all the people, and the Lord added to their numbers daily."

Author, Michael Pollan writes:

"The shared meal elevates eating from a mechanical process of fueling the body to a ritual of family and community, from the mere animal biology to an act of culture." (From "In Defense Of Food")
